

OUR MISSION: TO PROVIDE CREATIVE STRATEGIES AND PRODUCTS TO REDUCE THE SPREAD OF BED BUGS.

OUR VISION: ESTABLISH A NETWORK OF BED BUG BAKER HEATING STATIONS ACROSS THE UNITED STATES. THIS NETWORK WILL ALLOW TOURISTS, BUSINESS TRAVELERS AND TENANTS TO TERMINATE INFESTING BED BUGS IN THEIR LUGGAGE, FURNITURE, STUFFED TOYS, BUSINESS DOCUMENTS AND A MYRIAD OTHER ITEMS. THIS POWERFUL NETWORK WILL ALLOW THEM ALL TO...

DECLARE WAR ON BED BUGS!

EVERY WAR NEEDS A GREAT STRATEGY; HERE'S OURS:

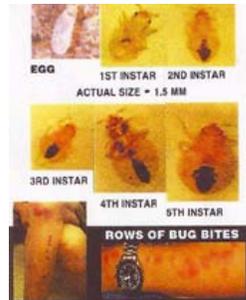

EDUCATION BATTALION

WE HAVE CREATED A FULL TRI-FOLD BROCHURE, OFFERING EDUCATION ON THE SUBJECT OF BED BUGS. ALSO, OUR WORK WITH THE UNIVERSITY OF FLORIDA IS DOCUMENTED AND LINKS WILL BE PRESENTED REFERENCING THAT WORK.

IDENTIFICATION BATTALION

HOW DO YOU SPOT THEM? OUR EASY REFERENCE CARDS PROVIDE A QUICK WAY TO MAKE SURE THAT YOU DO INDEED HAVE A BED BUG PROBLEM.

THESE EASY REFERENCE WALLET-SIZED CARDS ARE AVAILABLE FOR PURCHASE. THESE CARDS OFFER QUICK EDUCATION ON BED BUGS, AS WELL AS EASY REFERENCE TO OUR WEB ADDRESS AND PHONE NUMBER.

INSPECTION-DETECTION BATTALION

WHERE DO BED BUGS LIVE? THE REAL QUESTION IS WHERE THEY DO NOT. HOTEL ROOMS, LIVING ROOMS, SOFAS, AIRPLANE SEATS, BUS SEATS... BED BUGS RESIDE IN MANY MORE PLACES THAN JUST THEIR NAMESAKE.

THERE ARE PRODUCTS ON THE MARKET TO HELP FIND BED BUGS. THE CLIMB-UP SYSTEM CREATES A BARRIER AROUND THE FEET OF YOUR BED TO KEEP BUGS AWAY, AND THE VERIFI TRAP USES CO₂, PHEROMONES AND KAIROMONES TO ATTRACT AND TRAP BED BUGS FOR 90 DAYS.

QUARANTINE BATTALION

LOCK 'EM UP! ONCE DETECTED, IT'S TIME TO STEM THE REBELLION AND SHUT DOWN THE BED BUGS, PERMANENTLY. TO DO THIS, WE PLACE THE INFESTED ITEMS IN ENCASEMENTS.

PUTTING ITEMS IN ENCASEMENTS WORKS TWO-FOLD: DOING THIS PROACTIVELY PREVENTS BED BUGS FROM GETTING INTO YOUR LUGGAGE DURING HOTEL STAYS, AND DOING THIS AFTER INFESTATION ALLOWS YOU TO STOP THE SPREAD AND CLEAN YOUR ITEMS.

BED BUG BATTALION OFFERS ENCASEMENTS TO FIT LUGGAGE, CHAIRS, SOFAS, HEADBOARDS AND, OF COURSE, MATTRESSES. THESE ENCASEMENTS ARE BED BUG CERTIFIED, AND BED BUGS CANNOT ESCAPE OR ENTER THE ENCASEMENTS. YOU CAN WASH & USE THEM MANY TIMES, AND THE ZIPPER IS GUARANTEED FOR THREE YEARS.

THE ENCASEMENTS STORE EASILY, AND CAN BE DELIVERED TO A BBB HEATING STATION AT YOUR CONVENIENCE.

TERMINATION BATTALION

NO BED BUGS ARE RESISTANT TO HEAT! THE FINAL STEP IN YOUR BED BUG TERMINATION STRATEGY IS ELIMINATION, AND BED BUG BATTALION MAKES THAT QUICK WORK WITH THE BED BUG BAKER!

THE BED BUG BAKER IS A HEATING TENT SYSTEM THAT TERMINATES INFESTING BED BUGS IN YOUR ITEMS. YOU CAN PURCHASE THE BED BUG BAKER SYSTEM IN SEVERAL SIZES TO ACCOMMODATE YOUR NEEDS, OR UTILIZE OUR BED BUG BATTALION HEATING NETWORK (BBB-H).

DROP OFF YOUR ENCASED SUITCASE TO THE NEAREST BBB-H NETWORK MEMBER (IF YOU DON'T ALREADY HAVE AN ENCASEMENT, YOUR BBB-H NETWORK MEMBER CAN RENT ONE TO YOU). THEY WILL PLACE YOUR LUGGAGE IN THE BED BUG BAKER AND HEAT IT TO 122° F, THE FATAL TEMPERATURE FOR BED BUGS.

OUR WEBSITE OFFERS A CONVENIENT WAY TO LOCATE THE NEAREST BBB-H NETWORK MEMBER.

MISSION ACCOMPLISHED!
