

TRAVELERS BEWARE!

Bed Bugs In Suitcases

YOU CAN TAKE THEM WITH YOU!

Protect your valuable clothing and luggage with
BED BUG BATTALION'S 4 STEP HEAT TREATMENT
TO TERMINATE BED BUGS

1. Luggage Preparation Before Heating: Remove heat sensitive items: makeup, toiletries, beverages, food, medication, candles. Electronics, musical instruments, fireworks, explosives, anything flammable or will melt. (See form for details.)

2. Upon arrival, The Bed Bug Battalion will place the Suitcase in an encasement to Quarantine bed bugs. You may rent or purchase the encasement.

3. Insert thermometers into the suitcase to measure the temperature.

4. Place the encased suitcase in the Bed Bug Baker (Lodger) and heat to 122 Degrees Fahrenheit.

BENEFITS:

- 1. TERMINATE BED BUGS BEFORE THEY ENTER YOUR HOME**
- 2. BED BUGS WILL EXPIRE WITHOUT DAMAGING YOUR CLOTHES**
- 3. FEEL FREE TO TRAVEL AND NOT WORRY ABOUT BED BUGS**

♪ "Put your luggage in Bed Bug Baker, so you won't see bed bugs later." ♪
